* Total Record for all 3RD & 4TH place teams (including Saturday games) will be used to determine the 2 teams that advance to D1. Seeds = "1Q" thru "6Q."

RULES

- Games are to 15 win by two - unless cap has been applied.
- Soft cap at 90 minutes, the horn will sound once. Finish the point in progress. At the end of that point, add two to the higher score and play to that score. You do not need to win by two is the cap is on.
- Time cap at 100 minutes, horn will sound twice. Finish the point. If the score is tied at the end of that point, play one more point, otherwise the game is over.
- 2 Timeouts per half. Once the cap is on, there are no more time outs. The first time a player calls a timeout when their team does not have one will not result in a turnover. The opposing team should immediately check the disc and play resumes. If a subsequent timeout is call, it is a turnover.
